ACPET values professional development and to encourage the ongoing use of PD we have developed two webinar pricing options that make PD more affordable.

PD Pricing Plan members only

ACPET's PD Pricing Plan for members gives unlimited access for all staff to ACPET webinars for a one off payment. The PD Pricing Plan is equitable to all members regardless of how big or small, as the pricing is based on membership category and valid until 30 June each year. We encourage members to purchase a PD Plan as it allows all staff within your organisation to increase their skills and knowledge by undertaking regular professional development throughout the year.

Membership category	Gross turnover	Pricing Plan (Jan to June 2017)
2 & 3	Up to \$5000,000	\$750
4	\$500,000 to \$3 mil	\$1,000
5	\$3 mil to \$8 mil	\$1,350
6	\$8 mil to \$15 mil	\$2,000
7	\$15 mil to \$30 mil	\$2,500
8	\$30 million +	\$3,000

Pre-pay deals members and non-members

ACPET has created customised solutions for your PD needs by giving organisations the opportunity to pre-purchase webinars at greatly reduced prices. Take advantage of the following pre-purchase options, as with these great prices, staff can undertake PD throughout the year, as all pre-purchased webinars are valid for 12 months.
